Conducted a mobile educational tour that directly connected with more than 42K people across 265 events bringing information about COVID-19 vaccines to Latino communities nationwide.

As of January 24, 2022
In 2021, UnidosUS and its Affiliates helped Latinos get vaccinated, lifted more Hispanic children out of poverty, provided pathways to citizenship for aspiring Americans, and expanded our community’s representation in government.

**Immigration Relief**

More than 700K people from Venezuela, El Salvador, Honduras, Haiti, and Nicaragua have received Temporary Protected Status.

Our advocacy focused on citizenship and immigrant integration has resulted in, for the first time, a request from the administration to Congress for an appropriation to address naturalization backlogs.

Gains in ARPA for mixed-status families: 5.1 million spouses and children with Social Security numbers in mixed-status families became fully eligible for cash relief.

Helped 50 Affiliates providing immigration legal services prepare for potential implementation of immigration policy changes, including advocating for increased federal funding.

**Racial Equity**

1.1+ million views on UnidosUS website and digital content focused on racial equity

Partnered with activist and author Julissa Arce to produce videos and blogs and lead events to elevate Latino perspectives on racial equity

Partnered with Raza Database Project to issue an analysis of the impact of police violence on Latinos, a unique contribution to the field and national debate

Continue to work with the Smithsonian Latino Center on “Mapping the U.S. Latino Experience” at the Molina Family Latino Gallery, with 16 Affiliates

**Organizational Strength**

UnidosUS revenues in FY 2021 were $68 million, matching that of 2020 which included the MacKenzie Scott gift.

Developed a Directional Plan to invest $23M of unrestricted net assets over the next three years, funding to advance our mission and strengthen UnidosUS for the future.

**Proyecto 20%**

15% of President Biden’s initial 1,701 appointees identify as Latinos/as, inclusive of the Senate-confirmed roles — the highest percentage in any administration to date.

Achieved the confirmation of four Latinos in cabinet-level positions:

- Xavier Becerra, HHS
- Miguel Cardona, ED
- Isabel Guzman, Administrator SBA
- Alejandro Mayorkas, DHS

**Community Impact**

62M We celebrated the 23% growth of the Hispanic population, since 2010, as a contributing driver of growth in cities and towns nationwide.

$14.6M Historic funding to Affiliates and our communities — a 42% increase from 2020

70% of Americans attribute the country’s economic growth to Latino population growth — UnidosUS survey
